

Prompting

How to Use the Temporal Prompt Engine:

Start with a Concept: Begin by typing a brief idea or theme for your content. This is your initial spark of creativity.

Customize your project by selecting various settings such as:

Theme: Adventure, Romance, Sci-Fi, etc.

Art Style: Realism, Impressionism, Cartoon, and more.

Lighting: Natural, Backlit, Dramatic, etc.

Framing: Wide Shot, Close-up, Medium Shot, etc.

Camera Movement: Pan, Tilt, Zoom, etc.

Shot Composition: Rule of Thirds, Centered, Asymmetrical, etc.

Time of Day: Midnight, Sunrise, Sunset, etc.

Decade: 1900s, 2020s, Future, etc.

Camera Type: Choose specific cameras from different eras.

Lens Type: Wide Angle, Telephoto, Fisheye, etc.

Resolution: SD, HD, 4K, etc.
